- B. Article IV, Section 4.6, of the CC&Rs states that “Lake Users may cross the Perimeter Area including with boats as necessary to gain access to the waters of the Lake to the extent they are entitled to use the Lake, but such access does not include the right to cross over, or upon any Perimeter Area improvements of, any Lot owned by an Owner where the Lake User has no easement or other right obtained from the owner of such Lot to do so.”
- C. In order to minimize any alterations, modifications and/or damage to the Westlake Lake Perimeter Area that lies exactly between a Member’s own Lot and the Lake boundary, the following is intended to set forth Rules and Regulations for accessing the Westlake Lake Perimeter Area and Lake (including its shoreline) by Members’ and/or their contractors when performing work/services thereon (the “Policy”).
