

APPLICATION FOR: >> BOAT PERMIT REGISTRATION >> MARINA BOAT SLIP / OTHER PERMIT

Westlake Lake Management Association (WLMA) is a nonprofit organization that owns and operates Westlake Lake, a private lake. WLMA's purposes include managing the lake for scenic beauty and regulating it to allow reasonable recreational use for those in the Westlake community. WLMA operates under its governing documents including CC&Rs for the Westlake Lake Recreational Area and its Westlake Rules and Regulations (Rules) which it promulgates principally to address Lake Users coming to the lake. You should read and become familiar with the Rules before applying for boating privilege. A copy of the Rules accompanies this Application.

Please respect WLMA employees, solitude for lake residents, and all others at/coming to the lake.

The privilege of registering boats (including kayaks) for use on Westlake Lake, and mooring or storing a boat at WLMA's public Marina or office docks, or at a group or private dock, is generally limited to residents and property owners in the Westlake community. Applicants (single, husband & spouse, or partnership) may only moor one boat other than kayak at our public Marina or office docks, and may store one kayak at our office docks racks or on a boat. Verify at the WLMA office that the boat you seek to register is in a WLMA approved category.

THREAT OF INVASIVE MARINE LIFE (Quagga Mussels) -- ANY BOAT TO BE USED ON WESTLAKE LAKE (including if used elsewhere prior) MUST GO THROUGH A DRY-OUT AND INSPECTION PROCESS. See Rule 2 ANY KAYAKS INTENDED FOR USE ELSEWHERE WILL NOT BE REGISTERED FOR LAKE USE.

AS A CONDITION OF GRANTING LAKE USE PRIVILEGES, WLMA REQUIRES THAT WLMA (and its representatives) NOT BE HELD RESPONSIBLE (not liable) FOR: ANY THEFT OR OTHER CRIMINAL ACTIVITY, NOR FOR ANY DAMAGE TO PROPERTY (including loss) OR INJURY TO PERSONS (including to children) AT OR ON THE LAKE, ABSENT WLMA's WILLFUL MISCONDUCT OR ACTIVE NEGLIGENCE INVOLVEMENT. There have been incidents of criminal activity including theft of smaller personal property and kayaks, no other boats. Nor is WLMA responsible for its employees/its other representatives if not acting within course and scope of WLMA matters.

WLMA contracts for independent land security at the Marina. WLMA does not and can not have a continuous presence on the lake; it does have its own intermittent boat patrol - safety-oriented toward boating education and physically assisting you and your boat (you should call 911 for medical emergency or criminal activity). **See Rule 10**

You will be advised of annual fees when making Application, and required to pay in full when approved.

Please complete, sign, and return the **Application** and **Permit** agreement [license] with Application Deposit; When WLMA signs and dates [executes] any Permit agreement [license], your Deposit will be applied to annual fee.
