PRESIDENT MESSAGE

July 5, 2022

Dear WLMA Board Members:

I hope you all had a fantastic 4th of July! I'm happy and proud to say that we had zero incidents on the lake. I spoke to Nick our Lake Manager, this morning and there were only a few, very minor issues; lack of proper boat lighting (*check your boat lights!*), and a few life jacket sightings. All in all, a very successful and happy 4th. Many thanks to all who helped make this a great celebration, keeping the lake safe and clean!! I want to thank Nick and all our crew who were so very visible on the lake.

Just a couple reminders for this month:

****Tuesday, July 19, General Board Meeting****

Westlake Yacht Club

5:30 PM

GUEST SPEAKER: Ret. Adm. Tim Sullivan

"Emergency Action Plan"

We advise all of you to attend, as this will be a very information meeting for our lake and residents.

WEDNESDAY, July 27

Carl Koenig Retirement Dinner

5:30 PM, Westlake Yacht Club

You should have received an email invitation to the dinner. If you have not responded, please do so now.

We will be "dark" for the month of August, but the Executive Board will continue to meet and ensure that all is well!

The lake is looking great. I saw our maintenance guys out on the water Monday, cleaning up any debris on the water.

Our office is improving its security. Cameras are being installed, and we are bringing the office up into our modern technology. With that in mind, a reminder to all that if you know someone in your district who has not supplied the office with an email address, please help them do so. If they are “technically challenged”, they will continue to get information through you or in the mail.

If you have any questions or comments, you can email me directly or through the WLMA office email address. *HAVE A GREAT SUMMER!*

Sincerely,
Lisa Carl,
WLMA President
